

Artist Recommendation/Application: 2018

Quest for the West® is an invitational annual exhibition, and there are only occasional openings for new artists. The selection committee meets every fall. If you are an artist, or wish to recommend an artist, you are welcome to provide the museum with the necessary information to be considered.

Digital applications are preferred, sent by e-mail. They are due before September 1, 2017 in order to be considered for the 2018 show. APPLICATIONS ARE NO LONGER BEING ACCEPTED FOR THE 2017 SHOW.

Notes On Digital Images

- We require at least five (5), but not more than ten (10) images of recent works. These do not need to be available for inclusion in *Quest*. We are simply looking for the best examples of your work.
- Large files over 1 mg are not helpful.
- When naming each image file use the title of the artwork, not the artist's name.
- Include a typed list corresponding with the order of the images and include: title, medium, dimensions (height x width x length), date of completion.
- Images may be attached to e-mail application or submitted on a CD clearly labeled with the artist's name.

Notes On Written Materials

- These can all be scanned and attached or hard copies can be sent.

- Please include no more than four (4) literary items such as exhibition catalogues, magazine articles, or critical reviews.
- Current resume.
- Artist's statement (no more than one page).

A completed nomination/application must be postmarked by September 1, 2017 in order to be considered for the following year's show.

Application materials will not be returned.

Applications must be submitted either digitally or by mail to the following:
